Save the Date!

The FAIR annual conference will take place February 24-26, 2010 in beautiful Cocoa Beach Florida!

Conference planning is underway, so watch your email for hotel information.

New Faces, New Positions

- Have you moved or changed positions?
- Do you know of someone who has moved or changed positions?

We want to make sure we get the word out to all of our IR colleagues in Florida. So, if you know of someone new in Florida or new to your institution, please forward this on to them. While you are at it, let us know who they are and their email address, so we can get them on the mailing list. Just send any updates to Ken (kreaves@flsouthern.edu)

Call for Proposals

Please consider sharing your expertise with other IR professionals in a workshop, a presentation, a demonstration, a panel discussion, or tips session. The proposal form will follow on Wednesday, December 2. Proposals should be submitted by **Monday, January 4, 2009** to Ken Reaves, FAIR President-Elect and 2010 Conference Chair at kreaves@flsouthern.edu

Volunteer!

Involvement in FAIR is a great way to network with colleagues from other Florida institutions and get an idea of what a future leadership role in FAIR would be like. Volunteer opportunities include chairing or participating in the committees for conference planning, best paper, proposal review, nominations and elections, and many more. Please contact Ken (kreaves@flsouthern.edu) to sign up.
