FAIR 2011 - A Resounding Success!

Thanks to participation by 58 statewide institutional researchers, FAIR 2011 was an amazing success!! The conference included 19 paper or demonstration sessions by 27 members, plus 3 first-ever birds of a feather sessions. Game night drew about 20 participants and the President's Reception (or at least the open bar) drew the entire crowd! Another new enhancement, combining the business meeting with the luncheon on the first meeting day, was positively received and will continue into future meetings.

Door Prizes

Thanks again to UWF, UCF and Xitrac's for providing the door prizes. The winner of the GPS should have no problem finding the conference facility next year!
